

CACE FLC, Annual Conference & Membership Announcement

March 30, 2021

Dear Members,

Here we are, after a long year of dealing with the Pandemic and the many challenges it has brought to us all, both personally and professionally.

It was our hope that we would be able to meet again in-person in 2021, however after careful consideration and the fact that the vaccination roll outs will most likely not be completed until fall, as well as many firms will still be implementing travel bans, we will not be able to fulfil that hope.

CACE, as always, is committed to providing our members with the highest level of CLE. We have decided to turn both the May 1-2, 2021 Future Leaders in-person Conference and the September 23-25, 2021 in-person annual conference into accredited webinars for the health & safety of our members.

In February, we surveyed past Future Leaders Conference attendees and the majority voted to hold these webinars as a half day event. We are now consulting with the Board and speakers and will be announcing the date for the Future Leaders webinar event in the next few weeks. As well, the 2021 annual conference Co-Chairs and Conference Committee are hard at work at producing a slate of accredited webinars to commence September to November 2021. The Board will also be planning a virtual AGM for this fall and will send out an announcement when the date has been confirmed. Please watch your inboxes for announcements for all of these events.

To thank our members for their support of CACE, and to assist in continuing to provide our members with the highest level of CLE, we are very pleased to share that all of our 2021 webinars will be complimentary to current members of CACE!

To be considered a current member of CACE, you must renew your membership by May 31, 2021. Membership renewal for discounted bulk firm memberships for the 2021-2022 fiscal year is open March 1st until May 24, 2021. Individual memberships are able to renew from May 1-31, 2021. Of course, in-house counsel memberships are still complimentary, though they must renew yearly to confirm their practice still qualifies.

If you are unsure if your firm has a discounted bulk firm membership, or you need to change your administrator, please contact Tracy Scanks (tracy@proconadvantage.com) and she will be happy to assist. For individual members and in-house counsel members, please login to your account on our website after May 1st to renew. The cost for membership renewal is the same as previous years and can be found by [clicking here](#).

With renewed hope & fingers crossed - please mark your calendars for the dates of our future in-person conferences starting in 2022.
